

Valued Customer,

Thank you for your purchase and we are excited for you try our new **Cinnful Chocolate Peanut Butter** flavored protein powder from Cricket Flours! Cricket Flours is the first-to-market with our new cricket protein powder, and we are currently perfecting additional flavors such as our Peruvian Dark Chocolate.

Cricket Flours was founded in 2014, and focuses on providing sustainable products with complete nutritional profiles with all the essential amino acids and BCAAs found in protein supplements. Because of our proprietary blend, we are able to provide a protein powder with more calcium than milk, more iron than beef, and more natural vitamin B12 for energy than leading energy drinks.

We are proud to supply you with a nutritionally complete protein powder that is healthy for you and healthy for the planet. We pride ourselves here at Cricket Flour on delivering the highest quality product. If our product is not up to your expectations please contact us and we will remedy the situation as quickly as possible.

Cinnful Chocolate Peanut Butter

We are currently perfecting our **Cinnful Chocolate Peanut Butter** recipe and will be receiving are final nutritional profile. For best results, mix your protein powder in a blender bottle with 4oz of cold milk or water.
